the story so far

Asou Hina is a girl who just transferred schools. This time, she was expecting to enjoy her life at school but, she ended up in the Special A class with only the smartest boys in school!! Furthermore, this class's gang of 5 members, Shimizu Toshi, Iwabuchi Takui, Arisawa Nao, Tairaku Jun and Yauchi Kojiro became her first friends. With a fund of 32,000 yen,the Special A class manages to raise 64,000 yen in proceeds for the cultural festival. Then,within Hina's executive committee, the funds were lost. The one who stole the funds turns out to be class president, Yamachika. While fighting with the members of the student council, Hina and the boys jumped into the pool and recovered the funds. Now, why is Hina and Toshi alone in the nurse's office looking for clothes!? On the opening day of the cultural festival, a combination of a ghost mansion and a host club, [Ghost the Host] was really popular!! Will they be able to earn enough money for the quota in one day...!?

Day 2 of cultural festival

Today the whole school will all gather for a launch in the evening ...

Therefore, there will be some spare time. Most likely it will be crowded throughout the morning.

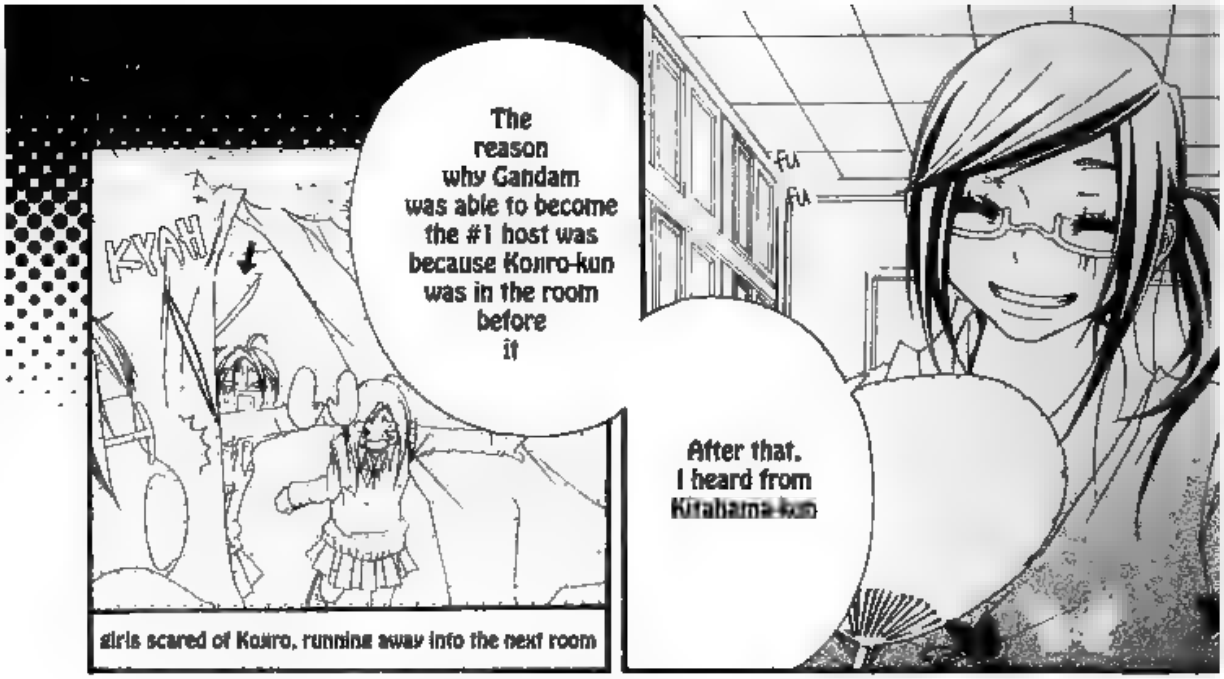
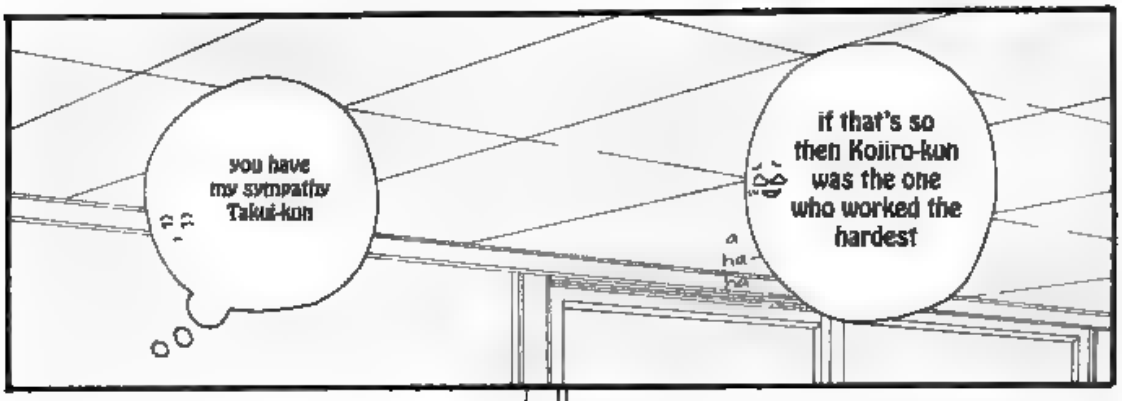
Really!? Ah I'm glad
wah
I'm happy Asou-san! I'll treasure this for the rest of my life !
Yay! Yay! yay!
..... ummmmmm
Does that even count as a prize ?



KYAH!
The reason why Gandam was able to become the #1 host was because Kojiro-kun was in the room before it
girls scared of Kojiro, running away into the next room
Fu Fu
After that, I heard from Kitahama-kun



you have my sympathy Taku-kun
if that's so then Kojiro-kun was the one who worked the hardest
a ha ha

Umm
Ah
well
It's about time I changed too and then we'll go meet up with everyone

ermm
before that
there's something
I wanted
to tell you
What is it?
A love
confession
?
That's
not it you
idiot
!!
Uhh
Thank
you
That
time when the
money was
gone, you were
worried about
me
and
when I was
scared, you
stayed with
me

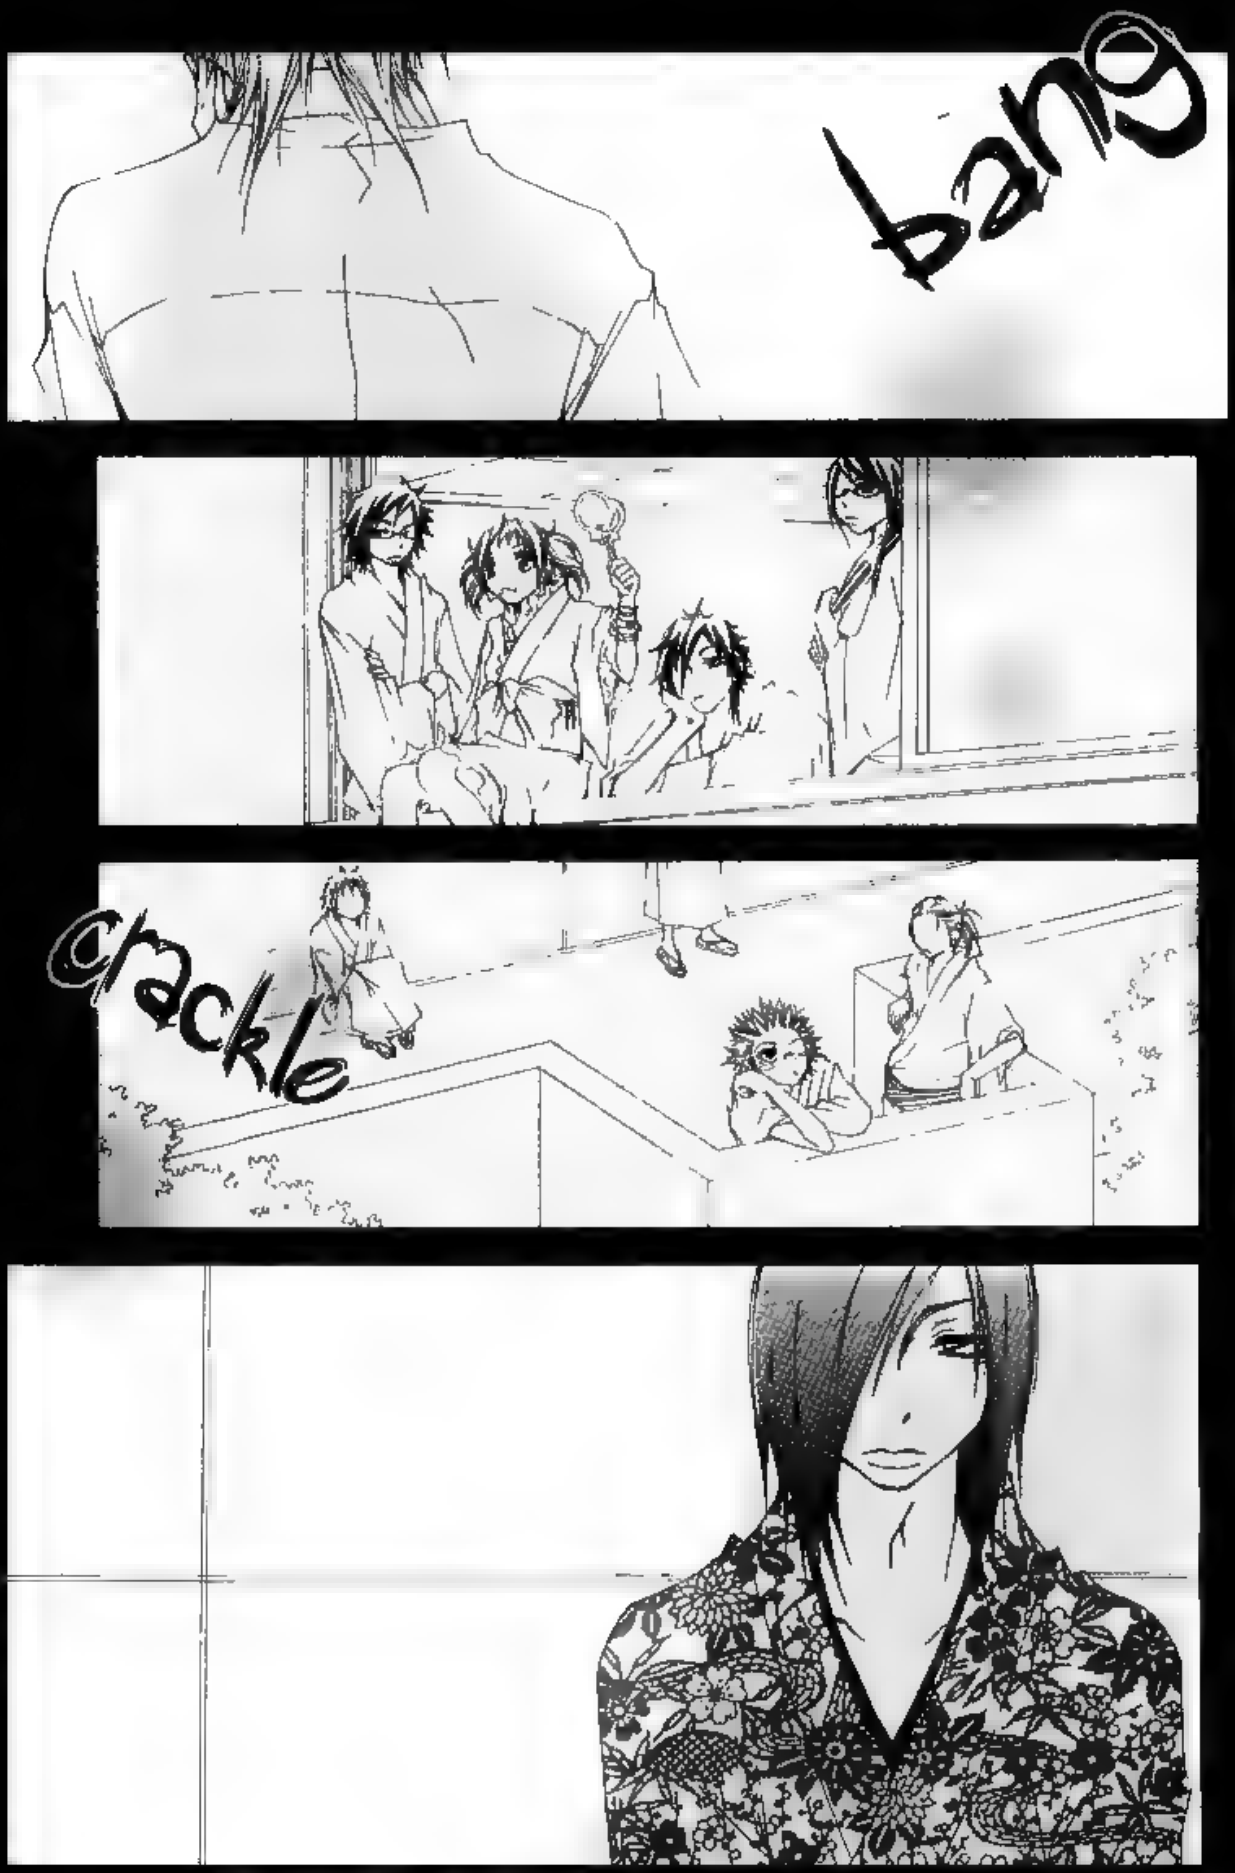
Even today, although it was my fault that such things happened
You stuck with me until the end
How should i say this…
I was really happy
Well then, I'll go ahead and meet up with everyone
Hime
…
But that's all I wanted to say
Sorry to keep you from changing

crack
...
hey
do you remember about the fortune we got today ?

She said "be careful of round objects"
Since we got our fortune read
Until the very end, you must not lose focus
POW

Hime,
you come after
okay
...
then
I'll be going
first
That's
if you can
get over
it.
.....
can't
lose
focus
.....

What did you plan with that set up !!!



bang
crackle

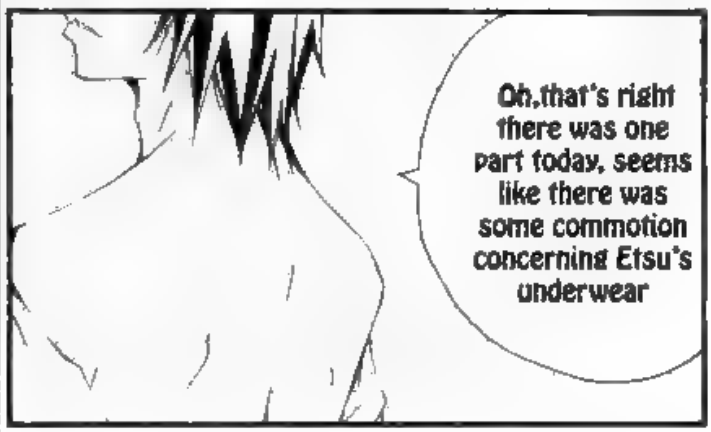
~ unexpected dissatisfaction part ❶ ~



...
but you know,
I don't think that there's anyone who will wish that from you.
they'll lose something in return
none ?

What do you guys think you're doing! This camera was really expensive you know !?
hm?
AAh
The camera
!!!
broken
You guys also, what do you think you're doing
I knew from the start that you were secretly taking pictures with that camera !
Ah urmm Asou-sa
How many times were you saying that Nakagome-san's chest is great! secretly taking pictures is a crime you know !?
You guys kept going on about how Nakagome-san's thighs are so wonderful and you were thinking about this and that right !!
What ? YOU
bbh
bbh
bbh
en !?

I was told that Special A students were superior but in reality, they're just a group of idiots
Hah
To stop something like this, the council also, don't amount to much
It's irritating that guys like you are at the top of this school
Was that all you wanted to say?
what
Especially like guarding those around you

thud
ugh

Please have a safe trip
Nao-sama
.....well then
I'll be going now o

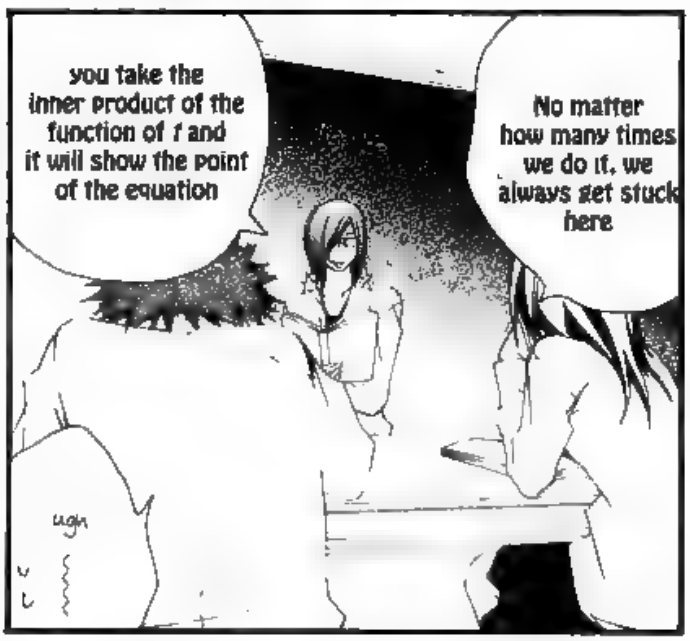
AFRO

Facts are secretive & unknown

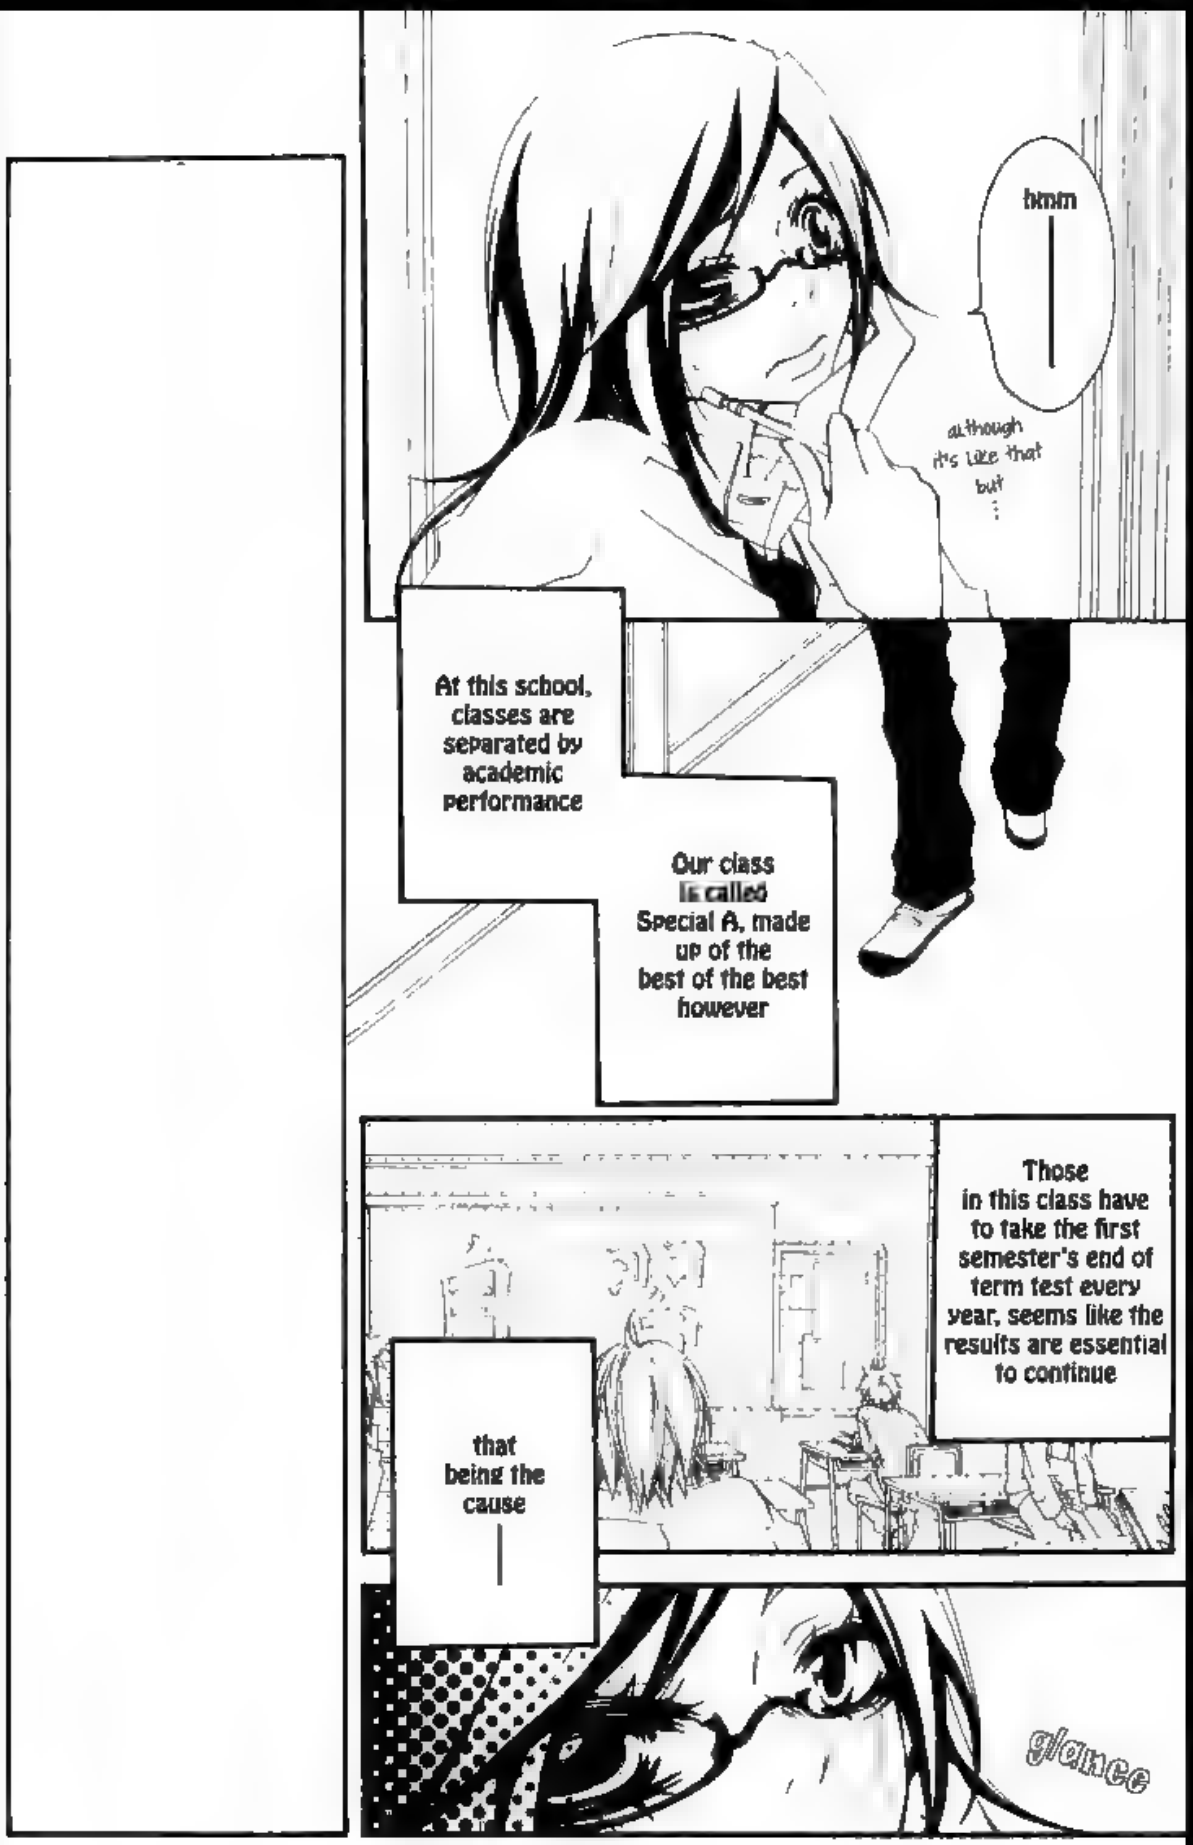
that is . . .
Ah, that's wrong the answer to that is
化学室

$\vec{PM}\cdot\vec{PN}=\frac{1}{4}\{(1-2t)\vec{a}+\vec{b}\}\{(-2\vec{ta}+\vec{c})$
$=\frac{1}{4}\{(4t^2-2t)|\vec{a}|^2+(1-2t)\vec{a}\cdot\vec{c}-2\vec{ta}\cdot\vec{b}+\vec{b}\cdot\vec{c}\}$
so, it becomes
$0\leq\vec{PM}\cdot\vec{PN}\leq\frac{1}{4}$
the end of term test

but you know, numerical formulas itself are simple o



you take the inner product of the function of t and it will show the point of the equation
No matter how many times we do it, we always get stuck here
ugh



hmm
although it's like that but
At this school, classes are separated by academic performance
Our class is called Special A, made up of the best of the best however
Those in this class have to take the first semester's end of term test every year, seems like the results are essential to continue
that being the cause
glance

this amount is clearly reckless
slide
it's become quite a mess
Here
he hee
Thanks for your service
I was dumb for getting carried away by your sweet talk and got stuck buying
rustle

Are you guys seriously studying?
Of course o
hmph
I wonder how you guys can study when it's this hot inside
…well,
we're different from you sorry that we can
Even so under these circumstances it's terrible to be absent from school at a time like this
Ah ah Nao is sure taking it easy
rather, why is this kind of guy always ranked first every year. I disapprove !!
Huh? Now that you mention it, why is Nao-kun not here today?

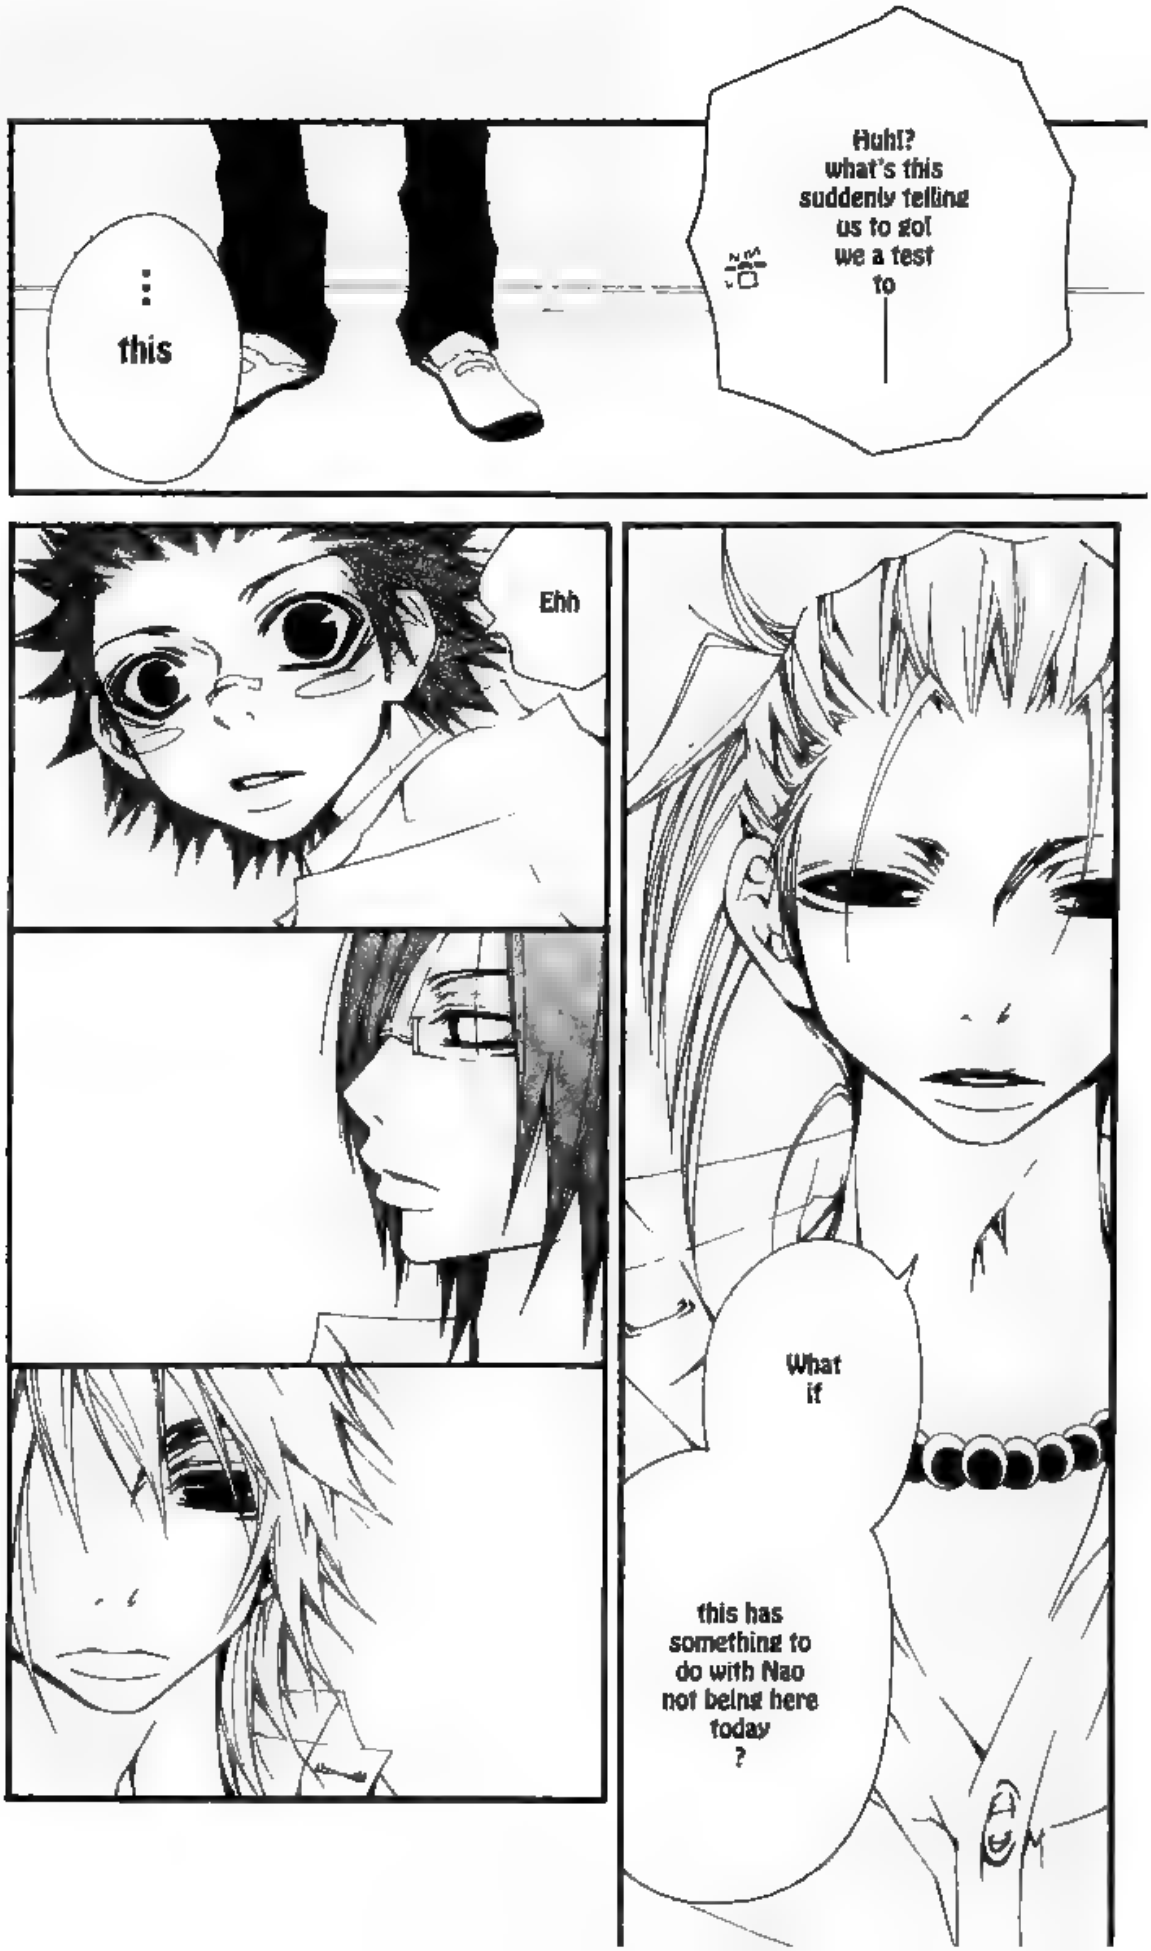
who knows
I haven't heard anything about it
screech
No one knows anything, that makes me a little worried
Let's try and call him
flip
clatter

AaH
!?
hm
?
Hm
?
Wh
wh
wh
wh
wh
why
why
what's
wrong with
it
?
There's
nothing wrong
with it
!
Why
do you have
a strap
like that
!?

Isn't this the (MURDER BEAR) brand's new item !?
Right now its very popular. you can't find it anywhere so why did you have it like it's nothing !?
uhh.
could it be that you bought this without knowing anything about it ?
so this thing is that popular
huh? but didn't you like bambi better !
I like that too but I really like this brand also !
well
I didn't really buy it
beep
beep
because this is

slam
We've got an emergency
!!
(huff
(huff
eh
Who is this guy all of a sudden
!!!
Surprised

What's wrong? Barging in like that
what?
Senoo
eh!?
Please forgive me for intruding in here so unexpectedly
Right now I don't have the time to explain everything in detail
We would like for you to immediately come with us



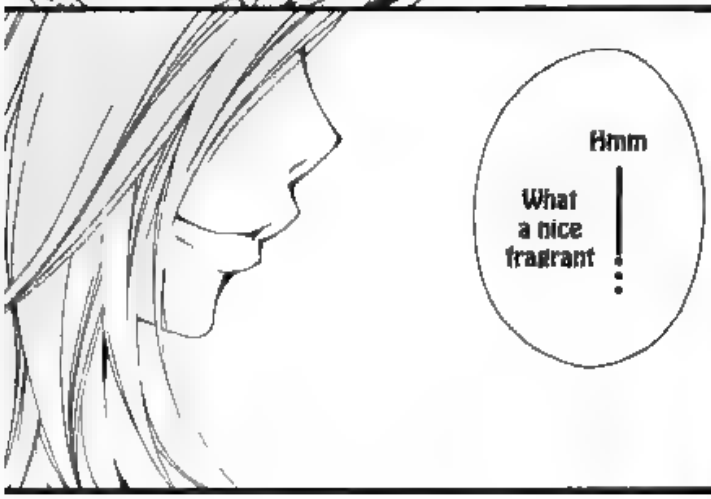
Huh!?
what's this
suddenly telling
us to go!
we a test
to
NAO
this
Ehh
What
if
this has
something to
do with Nao
not being here
today
?

Eh what!?
why does it involve Nao-kun ⋮
oh yeah who is this person !?
⋮ anyways.
we don't have much time right ?
bam
It's just as ⋮ you had guessed
Whatever is fine so just hurry and take us there
Ye
Yes !

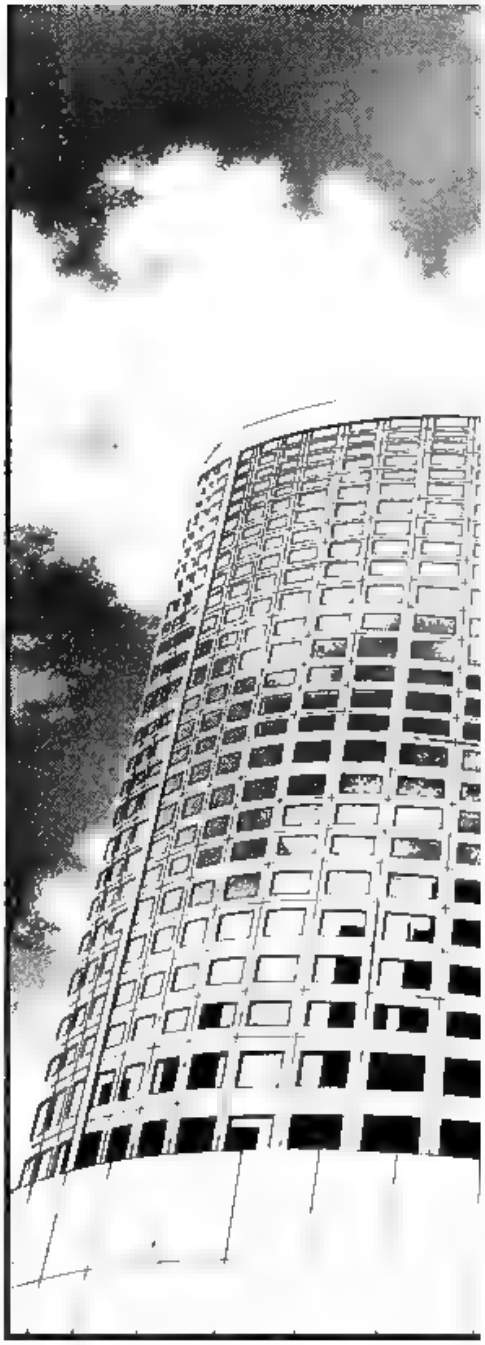
It's going to be a pretty rough road from here on out
Hime.
you better prepare yourself for it

Eh ?

POUR
POUR



Hmm
What a nice fragrant!!!

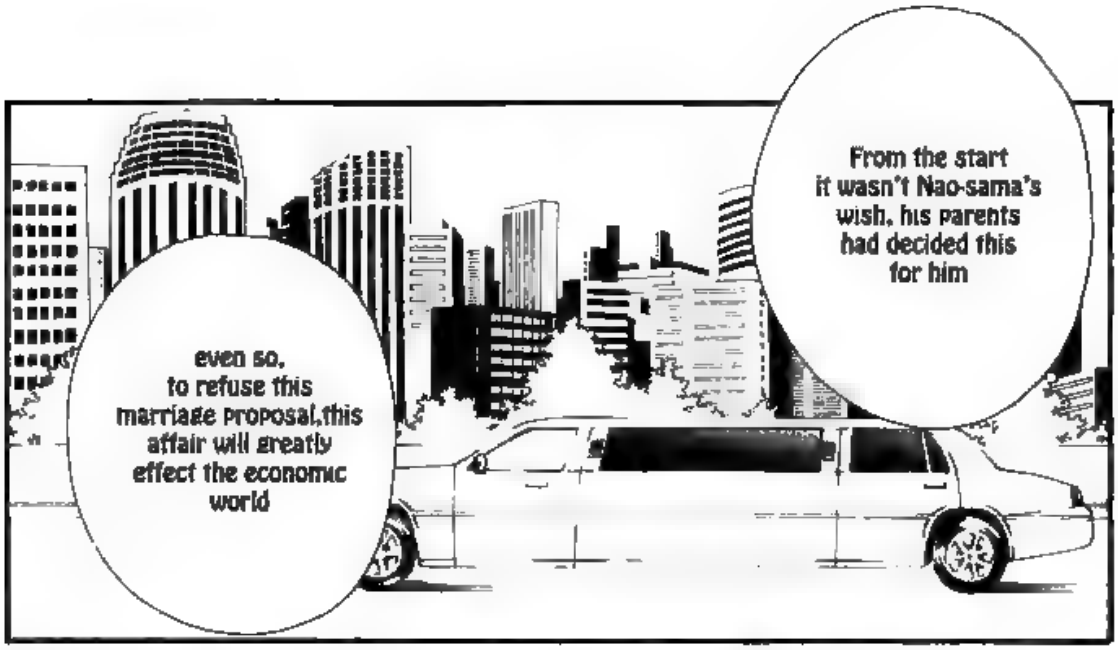


I've prepared some delicious black tea for you, Nao-sama

clink
I hope this suits your taste
Your feelings still haven't changed ?
.....
if you changed your mind
All you have to do is sign here and everything will be settled
CLOP
Contract

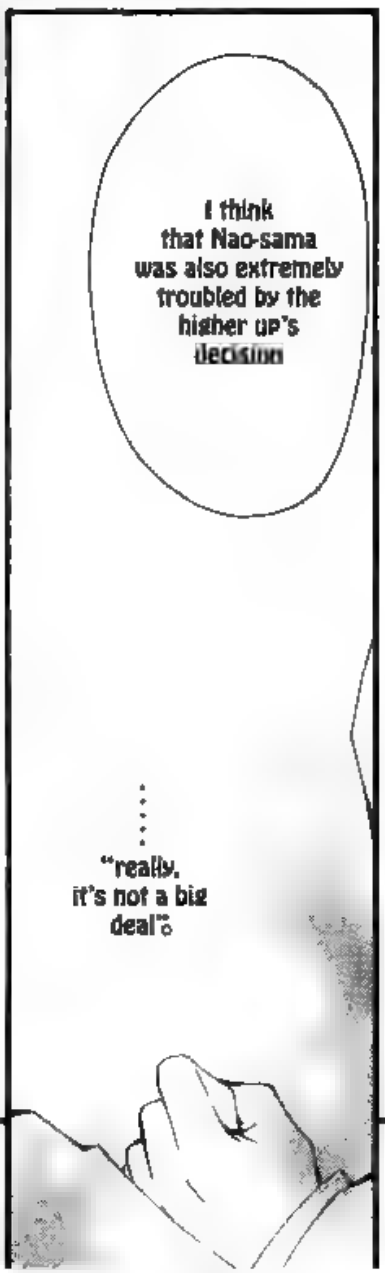
For people like us, from the day we were born our fates were already decided
Nao-sama I'm sure you clearly understand what this means right ?
EeH
!!?

An arranged marriage !?
Nao-kun is ...
blah
but this is the first time we've heard about it.
blah
I feel that's not problem we're dealing with here ...
why why!? We're still only highschool students so why something like marriage !
besides, Nao is only 16, can he get married !?
Well,
...
are not like that
en ?
To make things right, Nao-sama went to refuse the marriage proposal



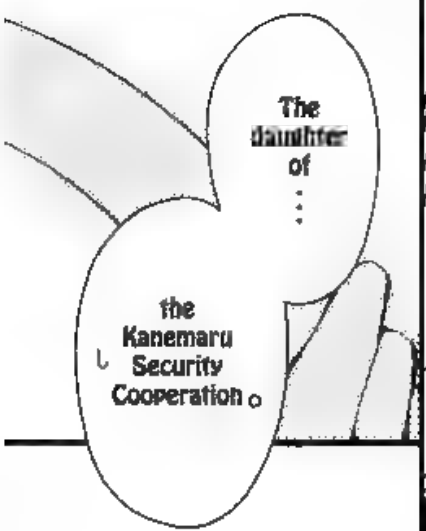
From the start it wasn't Nao-sama's wish, his parents had decided this for him
even so, to refuse this marriage proposal,this affair will greatly effect the economic world

"it's just that, when the cultural festival is over"
.....



I think that Nao-sama was also extremely troubled by the higher up's decision
.....
"really, it's not a big deal"。

.....
and who's the other party ?



The daughter of ...
the Kanemaru Security Cooperation。

So, do you know Nao's reason for doing this ?
No ... we don't know anything
... I see. The only son of the Arisawa Financial Group and the daughter of the number one security cooperation in Japan, it'll be one big riot .
Today's meeting also, Nao-sama went by himself
Huh!? How could you let something this dangerous happen !
He went to refuse the deal and that's not a problem!? It's not like he would be able to return when he wants right !?
wah
Up until now, there wasn't anything we could do to keep him from going alone. Nao-sama decided that by himself and we were ordered not to go with him !!
With that kind of determination, it's not like we could just flat out refuse his orders !!
That's why we called for you guys !!
... even if you say that

he left the company at approximately 5 o'clock
We kept calling him but he did not pick up his phone
and, where is Nao now ?
Perhaps he's still there at the Kanemaru company。
"Confinement"
is it 。
"there" In this case the situation isn't just any situation

I have a question
I've been listening for awhile now and I've been wondering ...!
errmm..well
Eh you really don't know anything ?
... well, that's because Nao is not one you can't easily talk about right
push push
confused
To begin with, what on earth is Nao-kun ?

Hey Hime,
earlier you asked me why I had this right ?
Ah
This strap
.....
Actually .....
I got this from Nao
Nao created this brand
.....
in other words,
Nao is the president of this company. He manages this brand as well as alot of other things like that
.....
Eh ?

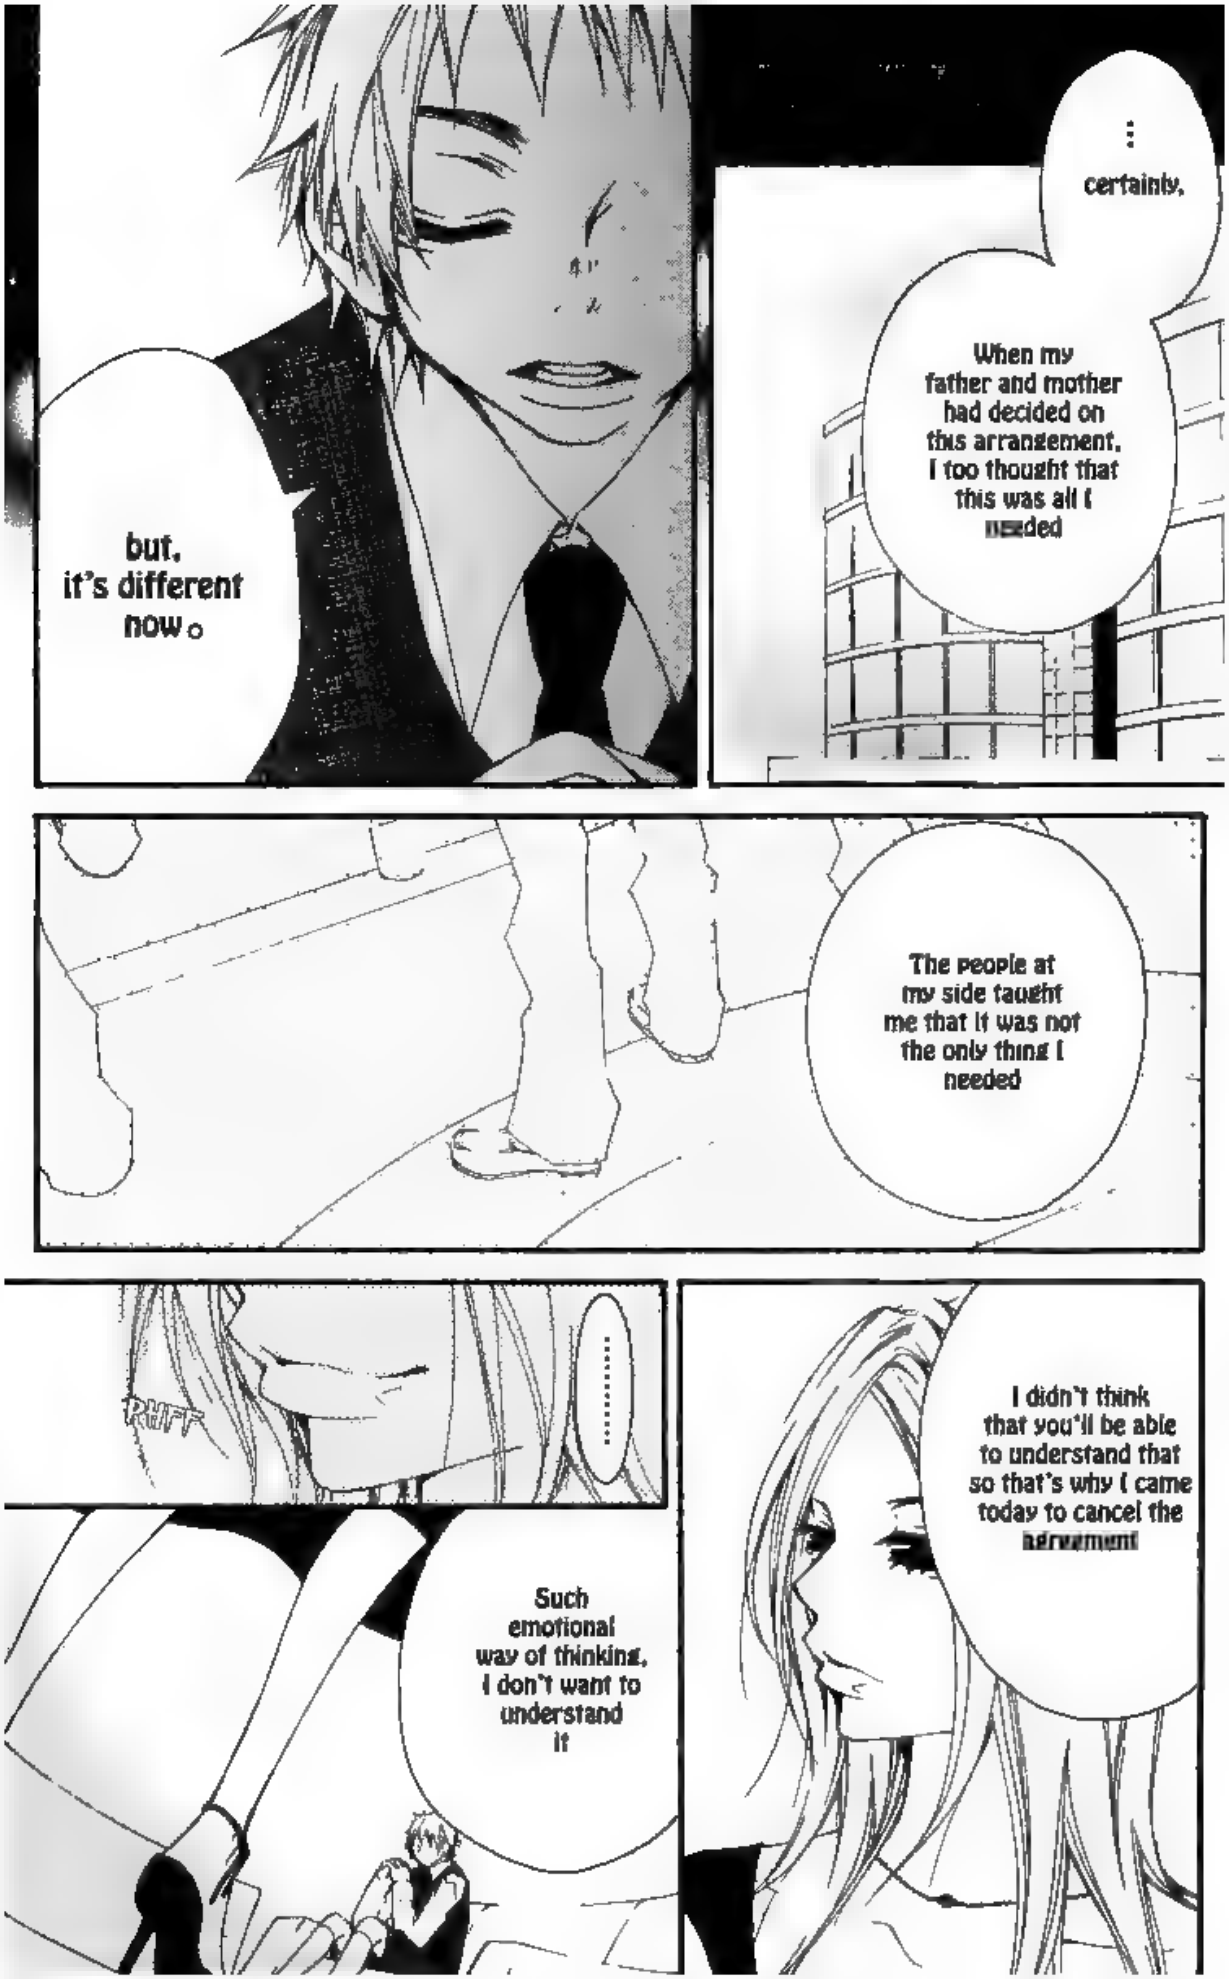
Vroooooommm
Eeh——っ!!?
Eh,
that's why today also. there's alot of things involved
EeH !?
that's why this brand is so popular now
Wow Now I see! Listening to you guys talk, I thought it wasn't about something normal
So Nao-kun is actually a really amazing person !
were you suprised ?
Isn't that obvious !!

So?
What should we do now ?
Did you guys decide on how we're going to rescue Nao-kun ?
Uhh ?
so? you say
that's it ?
huh ?
uhh
no, not really
more like, isn't it weird to be thinking about stuff like that right now ?
Well, didn't you really like this brand!? so that's why
you should be saying something like (kyaaaa! Nao-kun, can you give me the new item) ♡
or don't you want to say something like (kyaa I want get closer to Nao-sama) ! ♡ !?

heh
heh
he he heh
how logical
Because Nao-kun is Nao-kun right ?
well it looks like we'll have to hurry to where that Nao-kun is and bring him back don't we
SCREECH
before Cinderella's magic is broken

SUGOI
I had the finest quality sweets made just for Nao-sama
why won't you eat it ?
I can't do anything like this o
but if I didn't do that then you would have ran away
fu fu
I've never really let anyone feed me it's been like that for years and
besides

When we got engaged, everything was handed to us enormous assets, status, and honor
To want to break off this engagement. I can't comprehend it
…
even so how long do you plan to keep on doing this
…
because this is not something I want
Eh
?



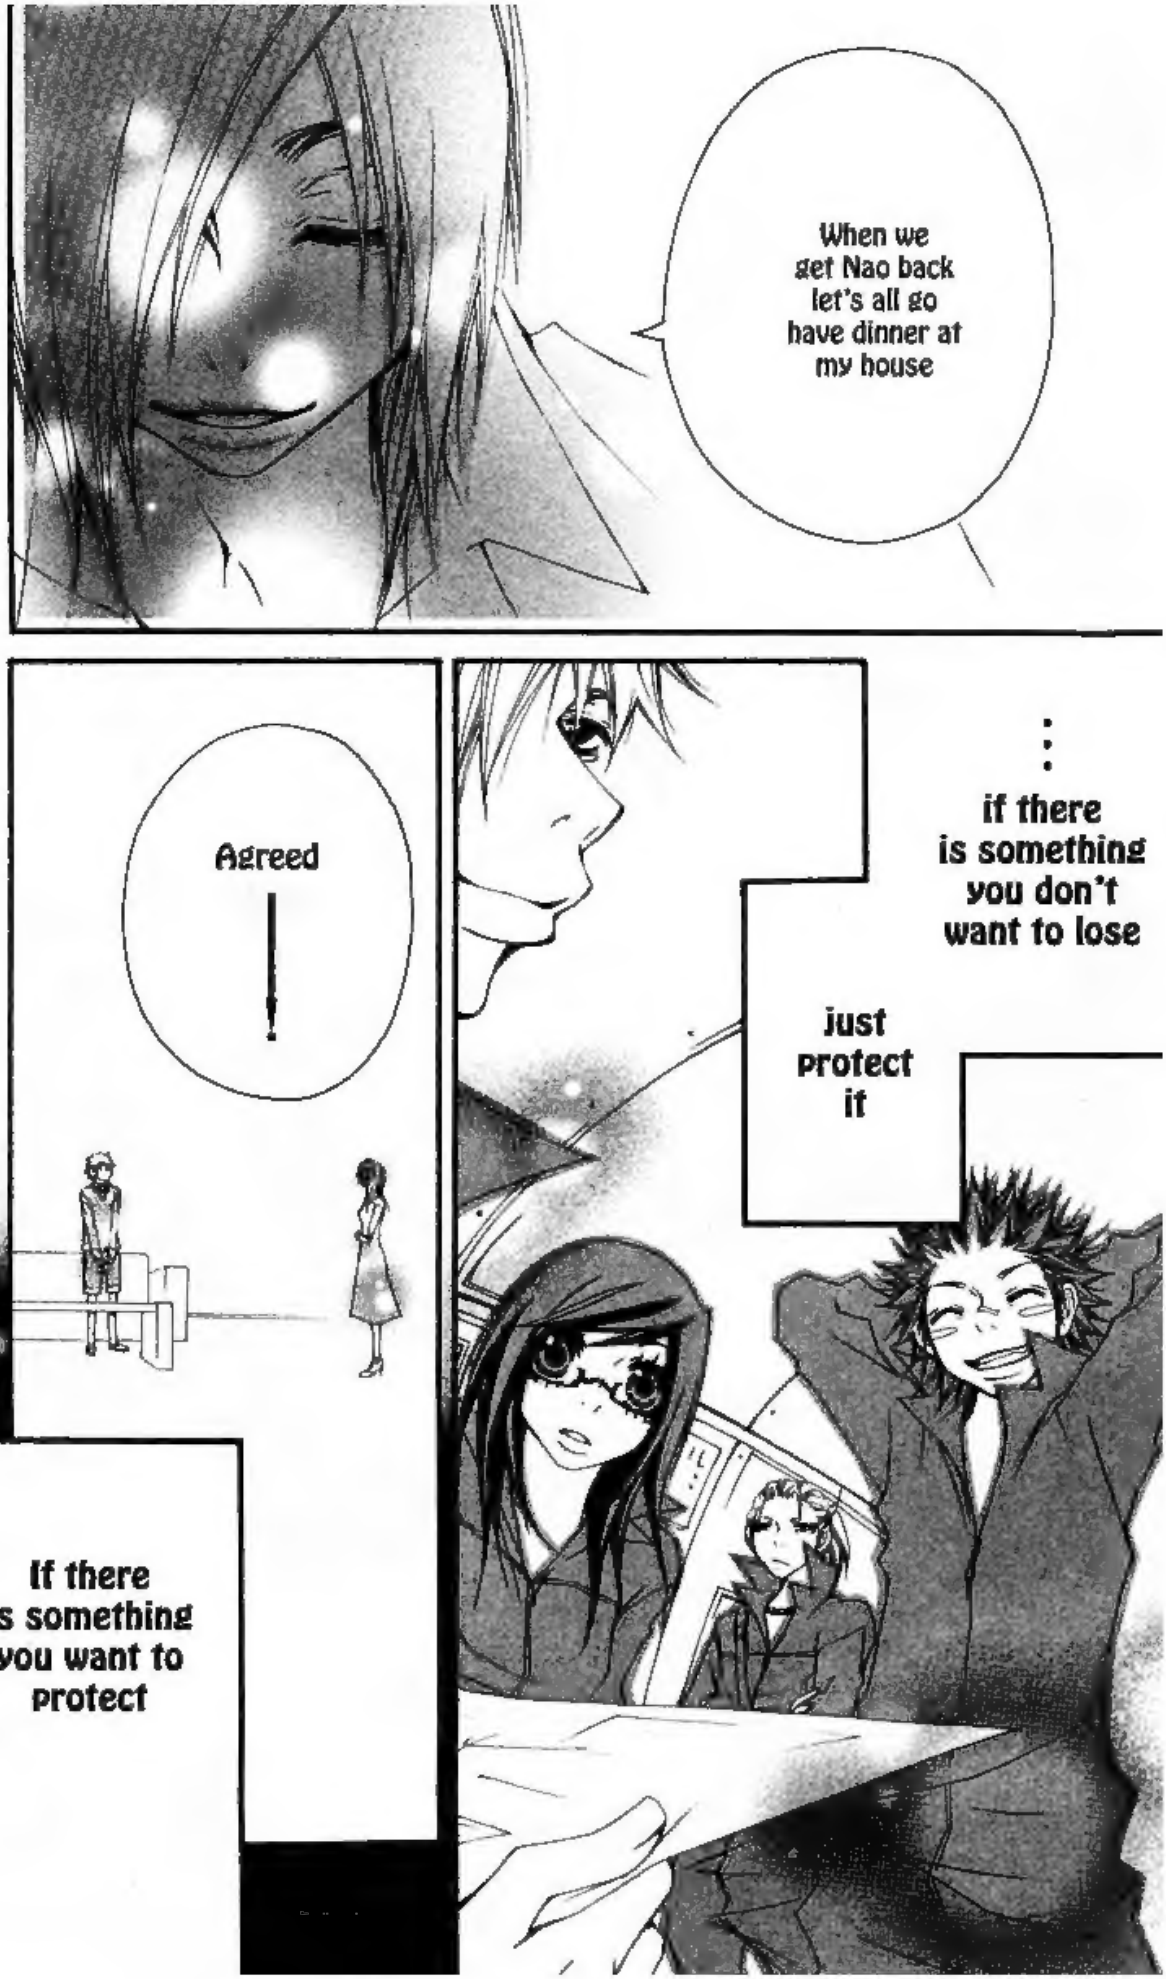
but,
it's different
now.
:
certainly.
When my
father and mother
had decided on
this arrangement,
I too thought that
this was all I
needed
The people at
my side taught
me that it was not
the only thing I
needed
.....
Such
emotional
way of thinking,
I don't want to
understand
it
I didn't think
that you'll be able
to understand that
so that's why I came
today to cancel the
agreement

In order to fulfill that goal, it doesn't matter even if it means committing more or less of a crime
BANG
because my ambitions vowed to the end that I'll lead the ansawa financial group into this world
so that the kanemaru company will be able to become more prosperous
.....
DOOMED
You can't escape
.....
perhaps the reason why you're staying still while speaking of unneccessary things like this
is because you're waiting for someone to come rescue you ?
It's not like that

It's useless。
Today, I told my men to not let any authorized people from your side in here
Even if they are able to break in from somewhere
we represent Japan here, at the Kanemaru Security headquarters
The guards are always on strict alert
To arrive in this room without a fight is
definitely not possible。

Seems like that's the only way we can break through o
Most likely the opponent has complete confidence in their perfect defenses
chop
To invade the enemy head on is not possible as there are numerous things to consider
chop
clank
Then we will just have to outsmart them
click
click
right.
so. the best place to attack is
"Here" o

We're not going to do this fair and square
hrmm...
here is—
Even if we can break through
it'll be game over if we get caught before we make it to our destination...
CLANK
CHOP
CLANK
We'll just have to take them down before we get caught.
...well then
CLICK



When we get Nao back let's all go have dinner at my house
Agreed !
If there is something you want to protect
just protect it
if there is something you don't want to lose

SO THAT IT WON'T GET TAKEN, KICK ABOUT UNTIL THE END!!
WHOOSH
